

# Multi-Agency Risk Management (MARM)

## Are you aware of this and when to use it?

The MARM Subgroup meets monthly to support cases where, despite efforts to support Adults, risk remains high.

## The criteria

- The adult appears to have care and support needs;
- All other avenues must have been explored and there must continue to be a significant concern about the well-being and safety of the adult;
- The adult must have a service or agency currently involved;
- An agency's Risk Assessment must have been completed and submitted with each referral.
