

The WSSCP Training Programme

Why come to the WSSCP for your safeguarding training?

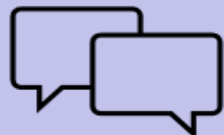

- Interactive and engaging courses that provide time and space to evaluate practice and apply new learning
- Delivered by subject specialists
- Up to date and accurate safeguarding information
- Train alongside other professionals from different agencies

Visit the WSSCP Training Calendar to see all of the courses on offer:

What have attendees said about the training they received?

'The trainer was brilliant at including everyone but in a fair way as to not pick out certain people to answer' – Working Together to Safeguard Children

'Really interesting, great delivery which kept my attention, plain speaking real training that was so beneficial'- Addressing Barriers to Safeguarding Children Effectively & Appropriately

'The content covered many scenarios and situations and offered clear guidelines of procedures and of the role of the LADO' - The Role of the LADO in Keeping Children Safe

'The trainer, Kate was fabulous. She made it interesting, relevant and fun, when appropriate' - Neglect

How will attending WSSCP training improve or change practice of those who have attended?

'Should I feel it necessary to make a referral or to ask for advice from the LADO, I will feel confident to do so' - The Role of the LADO in Keeping Children Safe

'I will be vigilant and curious and I will question anything I find suspicious' - Working Together to Recognise and Respond to Child Exploitation

'I found this very helpful and will use the slides to help me in my job.' - Professional Curiosity
