### **1. Safeguarding Children with Disabilities**

This full day course is for practitioners working with children, some of whom may have a disability. Children with disabilities are underrepresented in safeguarding work and this course will seek to help you understand what is needed when working with this group.

- [4<sup>th</sup> December 2015](#)

### **2. Child Sexual Exploitation Awareness**

This half day course is for all those working with young people and their carer's. It looks in depth at what CSE is, how it can be recognised and what effect it has on children or young people and the service you provide.

- [17<sup>th</sup> December 2015](#)
- [19<sup>th</sup> January 2016](#)

### **3. MASH and CSE Workshops**

Agencies across West Sussex are working together to create a new front door for safeguarding concerns about children and young people. Alongside this agencies have developed the West Sussex response to tackling CSE. These changes will have an impact on safeguarding activity across all educational settings and

agencies, and so it is vital that all managers and practitioners involved in safeguarding children know about them.

- The workshop invitation and booking form for all dates can be found [here](#).

#### **4. Serious Case Review Briefing**

This briefing is aimed at disseminating the recommendations and learning from serious case reviews, both local and national. The aim of this briefing is to help you understand the outcomes of relevant serious case reviews and provide an opportunity to consider the implications for your work. We are encouraging staff to attend the briefings with a view to communicating the learning back to their teams. There will be further briefings in the New Year.

- [2<sup>nd</sup> December 2015](#)

#### **5. Child Protection Conference and Core Groups**

This is a full day course aimed at helping professionals from partner agencies become familiar with CP Conference and Core Group meetings. The aim of this course is to help you understand the workings of safeguarding meetings, including the expectations upon you in terms of attendance and contribution.

- [14<sup>th</sup> January 2016](#)

#### **6. Understanding Thresholds**

This workshop will help you to develop our common understanding of how we assess and determine levels of need and intervention for children and their families in West Sussex.

- [14<sup>th</sup> December 2015](#)

## 7. Working Together to Safeguard Children

This one day course is for members of the workforce who work predominantly with children, young people and/or their parents/carers and who could potentially contribute to assessing, planning, intervening and reviewing the needs of a child and the parenting capacity where there are safeguarding concerns
